In response to the Notice of Noncompliant Amendment, the applicants submit the Claims, with what are believed, after consultation with the Legal Instruments Examiner, to be the approved identifiers.

\*This paper may have been filed by fax. Two attempts were made to use the central fax number in effect on this date, and one at the new number. All transmissions were confirmed to have been sent normally from this office, but no acknowledgment fax was received. Counsel has verified the fax numbers, and checked the USPTO website, which is not reporting an outage.

Respectfully Submitted,
